Wayne was one in a million. He was a man of integrity to the highest standard. He loved his family so much. He always talked about how blessed he was to have his grand children. He also loved the Lord and "walked the walk" like no other I have ever known. I trusted Wayne with my life. He was my true dear friend and will be terribly missed. I am very thankful that I had the privelage of knowing him and having him in my life. I know, beyond any doubt - that God had a special place reserved for Wayne in heaven. May Waynes family be surrounded with the peace that surpasses all understanding through out this most difficult time and may Wayne "live on" through you.##imported-begin##Shanna Branding##imported-end##
