“ Dale was such a great guy! My Dad, Gib Perrin, thought a lot of his cousin, Dale. I have fond memories of the Lund reunions at his home and his cute little dog, Lady.

“ Condolences to all of Dale's family. I sure am going to miss him! Was always a special surprise when he would come rolling in to the COA! He always teased me about my drink "Jug". Makes me smile just thinking about him. Fly high my friend!

“ Bonnie, Jan, and Jeff, I am so very sorry for your loss.

One of the things I always enjoyed about your Dad was his sense of humor. When my parents were still living and he lived down on White Tail Drive, he would often come over to see them and sometimes I would be there visiting them as well.

He always told me with a twinkle in his eye, and a hearty laugh "I am certainly glad you got to see me today!" and we would all laugh out loud.

So since then every time I saw him, I told him the same thing, and we would always laugh.

He will be missed!
