“ I am so sorry to learn of Jerry's passing. It was a surprise, as I just saw the 70th wedding anniversary in the Record Eagle Sunday. Jerry "Mr. Culman" was my very first boss at People's Finance in Traverse City. He was a great boss - taught me (patiently) how to count change back to the customer. I remember Delores also, as she came into the office with the little ones, and my new husband and I traveled to Lansing one time with Jerry and Delores for a company celebration. Delores may remember "Mugsy" Gee who worked there also. Sometimes we helped to get the fishing lines in order, so Jerry could be ready to go come the weekend. Anyway, we remember him and Delores fondly. Marv and I have been married 63 years now, and have 2 daughters. We live in Elk Rapids. Marv is now 90 also - not without some health problems. But all in all can be thankful. Know this is a surprise - and you may not remember us at all. But . . .I remember you.
