“ Harold's family,
We were Harold's neighbors for 14 years and knew him as a kind and thoughtful man. We always admired his independence and sharp mind. He will be truly missed and always remembered.

“ We became acquainted with Harold and Marian when we purchased our home from their daughter, June. It's hard to believe that was 35 years ago. It was obvious Harold was a compassionate man as he became caregiver for Marian. We will remember Harold as a kind man with a gentle spirit.

“ I was Uncle Harold's neice. His brother Dale was my father. I remember his kindness to us when we went to Copemish to visit Grandpa and Grandma Schermerhorn. I am so glad I went in May of this year to visit him. Rest in peace Uncle Harold

“ Harold was a very strong person in all the right ways. I did not know him all my life but long enough to know that he was caring, quiet, and a good friend. What started out as having coffee every week turned out to be a 12 year relationship of friendship. Harold was very strong in keeping his independence in which I give him great admiration. The stories of his life will always be in my mind, the places he lived to the places he worked to the things he made. Even as the years went by every day I learned something about my friend Harold. To you Harold I will miss but I will always have the memories. Thank You Anna
