

Stephanie Kay Seabolt

June 13, 1973 - December 15, 2018

Stephanie Kay Seabolt, 45, of Boon passed away on Saturday December 15, 2018. She was born to Kenneth and Kay (Wilson) Seabolt on June 13, 1973 in Traverse City.

Stephanie had many accomplishments to be proud of with her short time on this earth; her last words were that her greatest accomplishment were her two sons. She taught them to never give up, to follow their hearts and to fight for what they believed in. In 2017 she completed her degree in Cosmetology, in which she took great pride. Stephanie was known to have abundant compassion and a big heart. She would help those who were in need and lend a helping hand.

Stephanie does not just leave behind loved ones, she leaves behind a legacy with the love of so many other lives she has touched with her kind and loving personality. She will be greatly missed by all. Stephanie will be lovingly remembered by her fiancé Ronald Willis; sons: Aaron Seabolt and Dylan Tenniswood; mom Dorsetta Kay Seabolt; siblings: Jeramy (Richard Hirtreiter) Seabolt, Yvonne (Mike) Dimon; nephew and niece Levi and Chloe Dimon; grandmother Betty Lee Wilson, grandmother Muriel Weesies; and numerous aunts, uncles, and friends.

Stephanie was preceded in death by her father Kenneth Harold Seabolt and sister Carrie Lynn Seabolt.

Visitation will be held on Friday, December 21, 2018 from 11:00 AM to 1:00 PM, with a funeral service beginning at 1:00 PM at the Kalkaska Funeral Home. Burial will take place at Evergreen Cemetery in the spring.

“All of your best parts will live on with us and through us. We love you Momma. Fly high with the angels in heaven and wait for us.”

Arrangements have been entrusted to Kalkaska Funeral Home and Cremation Services.

“ I mostly remember Stephanie from her job at the Marathon. She always had a smile and a lovely laugh. Would happen often that I went in for a quick pack of smokes and left 10-15 minutes later as we would get to talking. :-) My thoughts are with you all in this tremendous loss.

“ I'm so sad and sorry to hear of Stephanie's passing. You were such a sweet lady and such a great mom to your boys. I loved watching all the memories you were making with your boys that you posted on Facebook even though sometimes they didn't seem to want to be on camera. These are great memories that they can now cherish and share with each other. We will be missed so much by so many. But now you're with the dad you loved and missed so much and your little sister that you loved and missed. We loved you and your big heart Steph!

“ Sending my condolences to Stephanie's family and close friends. I knew her from High School and she was always so nice. It's been several years since I had seen her as I have not lived in N. MI since July 1991. So sorry for your loss.

“ I am still in disbelief that you are gone. We barely hung out but we talked a lot on FB and I grew to adore you. You were such a beautiful radiant person. You were so loved by many and my heart aches for all of the people you left behind. Your death really hit me. Your funeral will be the first funeral I have ever gone to, and I'm not sure how I will handle it, but I wouldn't miss it for the world. You always posted things about witches on FB so I chose a butterfly as your virtual gift. Butterflies are thought to carry the souls of witches. In Irish folklore, they are thought to carry the souls of people that have passed. I personally have always loved butterflies, and I will be getting a butterfly tattoo in your memory. We love you SO much and it kills me you passed before you could snuggle your 2nd cousin that I know you were excited to meet. RIP beautiful. I hope we meet again one day in heaven so we can actually hang out. I think we could have been really close. <3

“ I'm so sorry to hear this. I really only knew Stephanie from her time working at the Marathon station. She was always so sweet and we chatted everytime I went in. Many times, the chats turned into lovely conversations. My thoughts are with all who loved her and may the wonderful memories you have with her bring you a bit of peace.
