*Diana & Family, I am so sorry to learn of Allan's passing. I remember him from high school and what a nice guy he was. However, we always knew him as Stuart, or Stu!! Maybe a bit shy, but very pleasant & polite. He definitely served his country and his community long and well. I hadn't seen him from the time he left high school until he returned to Kalkaska with you after his retirement of 28 years from Michigan State Police, and then to find him working with TNT, where he served the surrounding communities for another 28 years. I knew his brother Kingsley, and Kathryn. Kingsley was one of our County Commissioners for a number of years, and what a good commissioner he was. He was a joy to work with in my capacity as Kalkaska County Clerk, as was my association with Allen in working with the courts. Both of these local men came back home and certainly served our community well. Very good public servants as all should be.*

*My deepest sympathy to you and all off your family in the passing of such a fine man. God Bless Y'All!*

“ AI was a quiet gentle man who loved his wife and family. He did spoil the grandchildren who spent lots of time up north at the family home, especially during the summer breaks. He was always there to lend a helping hand. He will be missed greatly by the family and friends.

“ *Brown Family,*

*I'm so sorry for your loss. AB was simply the best. I first met Al in 1980, as a newly assigned trooper at Gaylord's Team 4, right from the onset I knew Al was "the man". He was respected by everyone. His soft spoken, kind hearted demeanor never varied, no matter how tense the situation. His leadership with the multi-jurisdictional drug task forces across the state paved the way for many MSP staff to have a career path within CIS/CID. His impact in the Michigan State Police was legendary.*

*Please find comfort in the many memories you have with Al.*

*Rest in Peace AB.*
