“ *My son and I met Amanda, her parents and her brother several
years ago while visiting NC family. It was Fun! We went to the
Lowe's Raceway Charolette NC. on a non race day.
Last time I seen Amanda with her Beautiful daughters was in
August in Merrill Mi at my brothers memorial in Merrill Mi. We had
visited a bit and met her daughters. Amanda did not miss a beat of
having the girls mind their manners at the table while eating their
food. I observed this one table from where we were sitting at Dean's
memorial service.
She had this Beautiful smile. Hugs and Jesus Love to each of You
that knew her this Beautiful lady.* ”

“ I first met Amanda when she played t- ball on my son's team in the early 1990s. She was a very kind, compassionate little girl with a level of patience and thoughtfulness that was fairly unusual in one so young. Throughout her school years I had the privilege of seeing her grow into a beautiful young woman whose kindness, compassion and respect for others never waivered - so much like her mom, Mary. I hadn't seen Amanda for many years until just a month or so ago, and was so surprised when she recognized me (even with a mask on...!) She gave me a big hug, asked how my family was doing, then told me all about her own family. She showed me pictures of her beautiful children, and told me how happy she was being married "... to a great guy" and that being a wife and mom was her greatest joy. My thoughts and prayers to Amanda's family and friends.
