“ Arlene always knew how to cheer you up when you were down. I have had some awesome times with Arlene. She was my Mom at times, she was my favorite Cousin at times, she was my Best Friend at times, all these things wrapped up in one. She always tried to make my world a better place to live in, even though her world so many times was full of pain, I believe she tried to cover her pain with giving love to anyone who would except it. Arlene will always know how I feel about her. She will always be with me, this I DO know. I also know how much her kids and grandbabys meant to her. God Bless you Arlene for all you have done for every life you have touched on this earth. I LOVE YOU MY SISTER!!!!##imported-begin##Lisa Nation##imported-end##

“ It has been said that grieving is a reminder that we were loved and loved in return. There are many of us who are grieving over Arlene's passing. She was a wonderful person with a compassionate heart and her presence in the lives of those whoms heart she touched will greatly be missed. She will never be forgotten but forever, fondly remembered.##imported-begin##Kelly Cassady##imported-end##

“ So saddened to hear of Arlene’s passing.

*I had the privilege of knowing Arlene through her work at French Manor.*

*She always found a way to add a little extra to the residence lives. Whether it was adding holiday cheer by finding that perfect holiday ornament to decorate the living room, making a throw blanket for a residence that was specifically make with them in mind, or just serving up an extra helping of her great meatloaf.*

*She will be sorely missed by all.##imported-begin##Anna Marten##imported-end##*
