“ I was one of the Women of Worship from her home church, Kaskaska United Methodist Church, who visited regularly over many years. Arlene was an absolute inspiration to all of us. She was in so much pain, but she never complained to us. She witnessed about her faith to us and others. She would point out all of the positives from blue skies outside her window to talking and sharing with her aides. She truly was one of my own personal Christian heroes. I will never forget her as a dear friend and as a role model.

*I am praying for her family, and rejoicing that she is in Heaven with her Kent whom she missed so very much. God be with all of the Rosenbergs during this time of loss.*
