

Barbara Jean Hefner

March 28, 1947 - June 3, 2020

Barbara Jean Guy Hefner, March 28, 1947 ~ June 3, 2020. Barbara was the only child of her deceased parents Jack and Mable Guy, and the wife of Tony Hefner of 41 years. Born in Traverse City on March 28, 1947 in the old Attapust Hospital and spent most of her childhood in Rapid City, Michigan. She leaves behind her loving husband and only child Kimberly Lynn Hefner. She did leave Rapid City for a short twelve years after she was married at the Calvary Baptist Church in Rapid City on May 26, 1979 to work with her husband as a missionary's wife and moved to San Benito, Texas. There she and her husband raised some of the top well-known bred Quarter Horses of south Texas to help support their children church ministry. Barbara loved working with children and both her and husband retired from teaching Sunday School in August 2012, and spent the rest of their time caring for each other. We will miss you Barb and your husband and daughter looks forward to seeing you again! A Bible verse, "Whoso findeth a wife findeth a good thing, and obtaineth favour of the Lord." Proverbs 18:22 KJV. Arrangements have been entrusted to Kalkaska Funeral and Cremation Services.

“ Dearest Hefner family, I met Tony, and was amazed at his funny and friendly nature. He has a Love for our Lord that is so commendable. Barb had this same Love for our Lord, and they both put their faith in His timing and strength. Tony did a wonderful job taking care of his beloved wife, with absolutely NO complaints. He is so thankful that he has lived his life with a loving wife for so many years. I know that our Lord will give this lovely Hefner family all the strength they need to get through this sad time. May God give you strength, love, and kindness to live on, and RIP to you Miss Barb.
Your good Friend,
Carolyn Boals

“ I first met my wife under the guidance of Pastor George Minton and his wife Eve. We didn't like each other at first but then Erie Simpson asked her out and I didn't like that. Maybe I was moving too slow but then she wasn't chasing after me. So I had to make it look like she caught me.
I miss you Barb. You thanked me everyday for waiting meeting your every need. I told you I did because I loved you and always will.
