“ I will always remember Betty for all the years she served on the hospital board. She was very knowledgeable in healthcare and government. She was always a great respecter of nurses which was appreciated.

*I am saddened to hear of her passing at this late date.*

“ Many wonderful memories of Betty at the fair and on the township board. I will be forever grateful for her wisdom, as I lost my Mother when my first child was 13 months old. I would ask Betty for baby rearing tips and she was always there for me. Rest in Peace dear friend. Jane Marie Rowell

“ We always enjoyed Betty. One day she mentioned that 'folks' never stopped by homes to visit, like they used to do. So, one day when I was driving by, I stopped in to chat awhile. She was surprised, and seemed to enjoy too. Glenn and Norma Cotton

I used to stop often, usually I would see Betty in the garden or at the picnic table. This past Sunday, I stopped by and got a hug from both Bob and Betty---we visited about a little bit of everything, even the new disease that deer in Canada have. God had to have directed me into their driveway and I am so very glad and blessed to have that time with her!
