“ We are sad to learn that Bonnie left this world, but know that she is in the hands of the Lord. She was always kind and loving. She plugged along with a positive attitude. My thoughts are with your family.

“ Bonnie was a dear friend and I tried to call her two weeks before we left for FL. I am deeply saddened by her early demise. We had so many good times together and we always laughed when we were together. I had no idea that she passed away until I got a call from Linda another friend of Bonnies. Susan Manturuk-Gielda

“ So many of my childhood memories include Bonnie and the Kimball family. Ours was a friendship that spanned a lifetime and every time we got together we would reminisce and laugh. I will miss her. Much love to the family and may God comfort you as you say good bye.

“ I worked with Bonnie for several years and really enjoyed her. She always had a smile on her face and in her voice when she answered the phone. Although I had not seen her for many years, anytime I remembered my years in Michigan it was with great fondness for the wonderful people I worked with at Beckman, of which Bonnie was an integral part. I know she will be missed by many who know her.

“ Bonnie was a wonderful lady who always pointed out to me me that 'older is better!'. This became a fun one liner between us, but she knew that there was something greater beyond this life and lived accordingly. It was my privilege to work with her at Beckman and I'm thankful for that time. She will be missed. May God's peace be on the entire family during this time.

“ Worked with Bonnie and the wonderful Beckman group many years. Bonnie was "the voice of Beckman", always greeting everyone by phone or entering the building, with her smile and pleasant voice. My thoughts are with her family, and know she will be missed by many. Karen Patterson

“ Bonnie and I were childhood friends and lived just a few doors away from each other. Even after I moved away at 15 we wrote to each other for many years. I still have the very best memories of her and I am truly sad to hear of her passing. R.I.P. my old friend.

I had the pleasure to work with Bonnie. I will never forget on her birthday I bought her a pin to wear that sang, she kept pushing it and dancing to it all day she was so excited about it. The littlest things can mean so much. Thank you for the great memories RIP Bonnie <3

“ *Hi, my name is Jeanne Peeples, my husband, Butch Peeples worked with Bonnie for eleven years. When I would visit the office I always stopped to share stories with Bonnie. Her sense of humor stood out most to me. We would share dog stories. Butch and I raised poodles. Boy, we could talk poodles. She even got her last poodles from us. I believe she named her Jazzy, we also have a Jazzy. She was a dear person and I always looked forward to her hello. She always had a twinkle in her eye. She certainly has touched our lives and will greatly be missed. We are very sorry for your loss. You will be in our thoughts and prayers. God Bless. Butch and Jeanne Peeples*
