“ *Rest in Peace Aunt Bonnie, I enjoyed sending each other pictures and the times chatting of old days and family. Mom told me stories of you two singing at church and other events, the hard work and other things kids get into with the help of Eugene. God Bless.* ”

“ *My Aunt Bonnie was so supportive of me during the time I was taking care of my mom, always encouraging me to hang in there. She would text me when she saw that the weather was bad in Alabama to make sure we were okay. She and Alan were so comforting when I was in Michigan during my mom's (her sister) funeral. I was able to really get to know her in about the last 10 years. I will miss our text conversations so much! She was loved!*
