“ I would run into Brad all of the time at the Elk Rapids Fitness Center. He had been going up there for years and over time I got to know him more. I always enjoyed catching up with him and b.s.ing about politics, cars, motorcycles, and everything in between. He was a really great guy and I always enjoyed the conversations and advice he had. I'm Going to miss seeing those Harleys parked out front this summer that always looked like they had just rolled off the showroom floor. To his family, you are all in my thoughts and prayers at this time. Brad was a great guy, which the world needs more of. Rest in peace, Brad.

“*Brad's love for his family has always been evident. Providing the opportunity for our hockey boys/men to continue to get together through hunting and snowmobiling has been a gift to all of them. The hurt of losing him will continue; his undying love for each of you will also continue. With Care, Gloria Halligan (Jack's mom)*
