“ So sorry to read of your lose. Death is an enemy whenever it strikes. When it takes ones like Brenda so young yet with so much to live for, it makes it so very difficult. I know I have lost loved ones so dear to me. The verse in the Bible brings me comfort at Rev 21:3,4 as it offers a hope for those we have lost and it’s a promise from God. My hope is this is a comfort to you as well now and in the months ahead. Please except my sincere sympathy.
