“ *My Dearest Cassy Sue, you will be so missed. I will always remember and treasure the times we had together growing up. From the Spice Girl names to the games we played during dinner. Even when we convinced you my mom had a special "can mold" for the cranberry sauce. I hope your family gets through these difficult days and know you will always be with them.*

“ I too am lighting a candle right now for beautiful "princess" Cassandra---her place on this earth will be so greatly empty-----I have not seen her for a few years---so am really saddened that I will not ever be seeing her anyway again -ever----my heart goes out to her four children & her Mom & father and grandparents and friends-- -I grieve for them also--there are just not enough words for this sadness and she was much too young yet to go. Rest in peace Cassandra.
