“ Hey, Kathy here again. I never asked: where did Valentine come from? Anyone know?

All I know about Valentine, is that his mother gave it . I asked him once. I told him I thought it very unique ,like him, and I love his name.

“ Charlie has been my friend for 50 years. Distance prevented F2F visits these past years, but we emailed. When he came east to visit his Bro John and when I went to MI to visit my Bro John and friends, we would meet. I visited him out in the woods. But limited bandwidth blocked some of the videos/graphics, alas. And I didn't use the brains God gave me to speak with him on the phone. Wrapped up in technology, forgetting that bells and whistles do not progress make. And he banished me when I got carried away with acronyms/abbreviations; what was clear to me was not to He. I hope someone will share a pic of Charlie, as I don't have one. And any performance would also be a joy. Proud to say I am a Friend, Kathy Zaffina

“ I am sorry to learn of Charlie's passing. Charlie was quite the outdoorsman! He was a knowledgeable person and helpful to so many. He was friends to many. The community has lost a great man. His tales will last for years to come. Rest in peace Charlie!
