“ Cody was one of the most kind and loving caring people I ever had the chance to get to know, it didn't matter to him what kind of problems you had. He was always the kind of guy to sit there and just talk to you. Never judge you. He was a best friend. Not many people in my life that I have cried over losing but Cody was one of them. We truly lost an angel .Love you Rest in peace brother.

“ I remember the family. Probably your great grand parents who sang and played songs on Sunday mornings at our church. (Baptist church on Saunders Road) Grandma played the mandolin and I think Grandpa the guitar--not sure-May God be with you and Bless you all-. Marjorie (Hall) Brunett
