

## Cole Edward Schavey

July 3, 1982 - October 25, 2025

Cole Edward Schavey, 43, of Kalkaska, passed away Saturday, October 25th, 2025, surrounded by his loving wife Tina, Sister Raven and friend Karen. Cole was born on July 3rd, 1982, in Lansing, Michigan. Son to Lee and Kim Schavey.

Cole married the love of his life Tina on December 7th, 2016, in Traverse City. On this day he gained a beautiful daughter Kristen and a passionate son Noah. Cole spent the next years of his life living the dream, filled with many great family memories. If Cole could tell you one thing about his family, it is that they were his greatest accomplishment.

Cole's love for his church was astronomical. Cole touched so many of his fellow parishioners, and if I had to relay one piece of advice it would be "to find faith".

As many know, Cole was a fan of Magic the Gathering and Ryan will be carrying on his legacy.

Cole took great care of his niece and nephews as he could relate to them in so many ways. Cole was a kid at heart. Cole was very proud of his nephew, Remington, and his pursuit of engineering.

Cole's love was felt by everyone who came in contact with him. He was open to everyone no matter their situation.

Remaining to cherish, Tina Schavey; daughter Kristen; son Noah; sister Raven Schavey (Tom O'Rourke), Naomi Schavey; niece Abbigail; nephew Remington, Sheamus, and Cruz.

He was preceded in death by parents Lee and Kim Schavey; grandparents Lewis and Edith Schavey, Frank and Naomi Kashenider; brothers Rebel and Joshua Schavey.

Arrangements for a celebration of life will be held in the spring per his wishes.

“ Cole was the perfect match for my sister Tina. They both shared the same sense of humor and goofiness. When he married my sister he embraced my niece and nephew as his own. He fit right in with our family. I am appreciative of him for the love he showed my sister. He fought so hard during his battle with cancer and all the while he was mostly worried about Tina. He died way too soon, but he is no longer in pain. We love you Cole.
