“ *It is with much sadness that we learn of Corey's death. Corey was the State Vice President of the Michigan Tax and Accounting Professionals, and more importantly she was the best example of a giving member one could hope for as an association executive. She always had kind words and encouragement for our members and never hesitated to reach out and help whenever it was needed. Most importantly, Corey was committed to providing her clients with the best counsel and service. She never missed an education event because she knew that knowledge would benefit her clients.*

Corey was a personal friend to myself and my wife, Joanne, and we shared many stories about our families every time we came together at an association function. We will miss those conversations so, so much.

Rest in peace, dear friend.

P.S. Corey gave me yucca plant seeds from her garden to plant this spring. I already had the spot picked out and they will be the centerpiece of that section, dedicated in her memory. JH
