“ *I first met Cindy in junior high school at Forest Area School (first year). We reacquainted with each other when Cindy and Beaver attended the Bible college where I was employed. She was faithful to her Saviour, husband and family. Keturah, the tribute you wrote on Facebook was amazingly beautiful! Please know that you are loved dearly and being upheld to Jesus for comfort and strength. Love you, Kathy Wilkie*

“ *I remember when Cindy would come to Petoskey and stay for part of the summer. One time she was reading the book "The Shining" she was terrified in the middle of the day, sitting (hiding) in a corner. But she still wouldn't put the book down. I Love You Cindy.*

*My mom really enjoyed those times in Petoskey. I remember she told me the story about "The Shining" and being so scared. She loved a good scary story.
