“ Dale opened his Heart and his home to Bruce and I and a lot of kids many week-ends while we were up North at our cabin. Letting us use the showers feeding us big breakfast, and always making time to joke with our girls. Aunt Winnie will welcome him with open arms as well as all of the rest of our loved ones. we will all meet again.

“ Dale was my first cousin. He was bashful and quiet. When I stayed at the farm in the summer, he would let me and my sister ride Champ with him to go get the cows in the morning. We tried to ride Champ alone but he wouldn't mind us, he went where he wanted. The boys tried to teach us milk the cows but it was hard and we weren't good at it! They all worked together to run the farm, David Dale and Dennis were strong and hard workers.
