“ My mom, Dorothy, and I just learned of his passing. I have many good memories of him during high school and visits while in long term care. Mom is sad for Joyce as she knows the sadness of losing a son. Peace to you all and cherish his memory while living those around you.

“ I truly enjoyed Dan's company while I was one of his Cenas. Our long conversations on many topics proved interesting and some even educational.

We laughed many times, and argued!

Still we remained friends. I've thought of him often, how he endured his crippling illness as long as he did is a Miracle. Rest in peace Dan.
