

Daniel F. Thompson

August 20, 1956 - May 24, 2019

Obituary will be posted when available.

Tribute Wall

SB

“ I remember the first time I met Danny. He was out by the garage working on a lawn mower motor. You were out there with him too. Your mom and I were sitting outside talking. It was a beautiful day and when I left Danny and I hugged. I got to know him by spending time with him. I'm sorry he's gone. Danny will be missed and remembered.
