“ Sorry to read of your loss. Death is an enemy whenever it strikes. The words found at Rev 21:3,4 offer comfort at a time like this for those we have lost. My hope is this is a comfort to you as well. And please accept my sympathy at your time of loss.

“ We are so so sorry for your loss. I didn't know him well, but the times I did meet Dave he was always friendly and warm. My thoughts and prayers go out to his family. He always treated Judi with so much love and tenderness. My heart aches for all of you. God bless. Margaret Wilson

“ Have not seen Dave in many years but I have lots of great memories. Building hot rods, playing football at FHS, Michigan Tech, Hanging out at A&W, water skiing at his lake house, fishing up north with our kids and many evenings playing cards. RIP my old friend.
