“ No words can truly described the loss we all feel. Debra was the one person I could always count on to brighten up any day with her wit and ability to make me smile and laugh. Such a shining star who's after glow will continue to touch our hearts and souls. God has received an angel, the same angel that answered the phone hundreds upon hundreds of time - an angels voice that will haunt me forever (that is the way Debra would have wanted it!). We love and miss you.

“ Debra was my student, my employee, and my colleague at NMC for many years. She had amazing skills - especially interpersonal ones. I could always count on her to master a new software package quickly, to do complicated work that I could not do. But more important, when I had a highly confidential project, I trusted her completely and she was my go-to to get it done. She always smiled. She always did incredibly accurate and professional work. Word of her passing stuns me and I wish peace for her and those many friends and family members she left behind. Debra was a very special person.

“ Uncle Pat, Aunt Margaret, Jeff, Teresa, and Brian,

I have very happy memories of playing and growing up with Debbie at Grandpa & Grandma Distelrath's farm when the Keller family would visit on Sundays. We always looked forward to seeing each other at the summer family reunions and when our Patterson cousins would come to visit us for the day on our summer vacations to Houghton Lake. These times were wonderful family celebrations that I'm sure all the Distelrath cousins fondly remember and treasure. In our older years, I enjoyed sharing stories of our mutual crafting hobbies. It was always so nice to get one of her beautiful handmade cards in the mail. May God bring you comfort and peace in your hearts as you prepare to celebrate her life with family and friends.

My dear friend, Debra - I just learned today of your leaving this world. I will miss you always. I loved your keen wit, your intelligence, your humor. Your leaving puts a big hole in my heart - I hope to meet up again with you when I join you someday in heaven. Know that you were and are loved.
