“ Teresa I am so very sorry to hear of your mothers passing. I have many fond memories of your mom/dad - you and your brother and they go back many many years. She was a great lady. May you know she is in a good place with her mom/dad/ sister and friends. I am sure she and my mom will meet up and talk about all the good memories they had with each of our families. Sending hugs and prayers as I know this isn't easy. Know many people care and all you need to do is reach out and they will be there for you. Again love, hugs & prayers

“ I remember last time I saw Aunt Dee, (never Dolores) she was moving slow, but she embraced me warmly, and we looked through so many photo albums, and it was so nice to be around her. Since my Grandmother (Dolas-her twin) passed she has been our Grandmother.
