“ *Dot was my best friend during our high school years. We had so many 60's fun teenage memories hanging at her house thru the summers and cruising Woodward. . Always caring and giving and wiser than me. I will always remember her with fondness and admiration and love. Pam Shain-Munday*

“ *Death is not an easy thing to deal with but the comfort held out in Rev 21:3,4 is a true promise from God. I hope this brings you some comfort as well.*

“ Dorothy was a great Mother and Sister. She was the most giving person that I've ever known. She took me with her friends to the beach and sledding when I was young. We stayed with her when we were between homes as I was graduating (stayed with Sandy also during that time...). Bought some clothing outfits for me when I got my first job... I can't thank her enough for her thoughtfulness. She was there for Richard and Roxanne when they were young, again living with them, and was a saint when Richard was struggling with his cancer. I remember all the Friday night card games with Jim and Sue Marks, Sunday poker games at home and more. It was always a pleasure babysitting for Bill and David.... not because they were angels (:-) but she kept a very well stocked pantry full of delicious treats. The kids were ok, really! Always an avid sports fan and enthusiast, we learned not to call her when a game was on. Her favorite casino partners left for Heaven before her (Mom and Richard), so I'm sure they're wreaking havoc on the Heavenly Slots!

We'll miss you deeply Dot and remember you fondly. Mike and Lori Blank
