

## Dorothy L. Martinson

May 26, 1944 - December 11, 2021

Dorothy I. Martinson, 77, of South Boardman passed away December 11, 2021, at home surrounded by family. Dorothy was born on May 26, 1944, in Grayling to Fred and Martha (Wonsey) Warren. She lived her whole life on the family farm. On October 23, 1965, she married Harold Martinson. They spent 56 wonderful years together. Dorothy for the most part was a stay-at-home mom, raising her children and caring for her mother. Her selflessness led her to be a caregiver for several people. Her love and knowledge of flowers and birds inspired many. She had a huge garden every year and really enjoyed canning in the fall. She loved to crochet and most of the family received something she made. However, her true love was her family. Family get-togethers were always at her house where she enjoyed cooking large meals for the whole gang. Dorothy enjoyed the chaos and chatter that ensued whenever the family was all together. Dorothy will be lovingly remembered by her children Teresa (Ray) Captain, Angela Martinson, and Fred Martinson; grandchildren Sarah Captain, Ashley (Jacob) Cummer, and Alex Martinson; great-grandchildren Skyler, Haiden, Sawyer, Lexi, and Laci. She was preceded in death by her husband Harold Martinson; her parents; her brother Colin Warren and an infant brother. Cremation has taken place and she will be interred at the South Boardman Cemetery. A celebration of life will be held at the family farm in the spring of 2022 for both Harold and Dorothy. Arrangements have been entrusted to Kalkaska Funeral Home and Cremation Services.

“ As my mom in law for 20 years she taught me so much, her ready smile and open door was a blessing. She will always have a place in my heart. ❤️

“ Aunt Dorothy was always kind and loving and good to me and I remember visiting her as a child and as an adult and I enjoyed her company . Loved by so many. My prayers are with all that had the chance to know her. May God bless and comfort the family and friends that most assuredly miss her

“ I am sorry to hear of Dorothy's passing. Although she was 4 years older than me, I knew her through school and church. I remember her parents Martha and Fred being so involved with the Methodist church - her with the fundraiser dinners and him with playing the violin. I have Dorothy's mother's pickled beet recipe which my family loves. I will miss those smiles of Dorothy if we had chanced to meet when I am next in SB.
