“ Janet, Teresa, Steve, and to all the Daniel's family and friends,

*We are so sorry for your loss. Doug was such a kind and loving person who always had a kind word and endearing smile for everyone. He will be greatly missed.*

*Doug's memory will live on in our hearts. Those memories become special treasures that we all will hold so dear.*

*Doug left this place after a long battle gracefully surrendering to whatever it may be that comes next. But he is not gone, if you look for him you will find him. Even if you don't look for him you will still see him. He will be everywhere.*

*Look for him in the heart of his loving wife Janet, or in the faces of their children, Teresa and Steve, the smiles of his grandchildren, in the eyes of his friends, he will be in every state he visited where he left beautiful memorable traces of himself, and in the good fortune of everyone who was lucky enough to know him.*

*Doug touched the lives of so many who will remember his passion and caring heart, his intellect and humor – he was a true gentleman and a great friend to all.*

*May your memories make you laugh and smile, and may you take comfort from the many who are there for you.*

*He will be greatly missed, but we will never ever forget how he enriched our lives*

*Your family has been and will be in our prayers for Doug. God bless you*
