“ So sorry to read of your loss. Death is an enemy whenever it strikes. The words at Rev 21:3,4 are a real comfort to those who have lost a loved one as it offers a hope for them. My hope is this is of some comfort to you as well now and in the months to come. Please except my deep sympathy.

“ There are way too memories to share but I can say that Man was another father to me for 14 years, almost half my life. He was such a staple in my little family, Ezra and Laney were his world as he was theirs. I'm glad Joe has so many features and habits that will grow on that him and Pa shared. We pray now, for healing and love from those around us.

“ I have so many great memories of uncle Roger growing up! I find peace knowing him and dad are spending hunting season together and I hope he tells dad all about babysitting Lilly. This has been a tough year but I hope Nancy and the boys can find some peace knowing he's in heaven with his family.
