“ Erik was my best friend in high school. We had great times skiing and 4 wheeling. He even drove down to Indiana for my high school graduation. I went and visited him at college and we had some great times. We lost touch with each other but reconnected a few years ago. He was there for me through some real tough times in my life. We had plans to meet this summer. This was a total shock and hurts so bad. Prayers to all his family and friends. Rest easy Erik. Ill never forget you and all our fun times together.

“ He is “Golfer” to me!!! Golfer is a great human being!!! I am blessed to have known him and I got to spend some of the best times of my life with him and for that I am forever grateful!!!
All of our adventures were amazing and I can't define which was best by choosing one over the other.
One that will always be forefront in my memory is..... “Where is Jerry?” If you know, you know and know how epic that trip was!
You left us too soon my friend!
Love and Respect “Lobster” ❤️👊

I enjoyed Eric's company at Matt Cook's Christmas for people who didn't have anybody else last year. It was a very memorable and enjoyable time we had. I am so sorry we won't be able to share that again RIP.
