“ So sad to hear of Ferman's passing. He amazed me - everytime I'd see him in the hospital I was afraid it was going to be the last time but he'd bounce back and keep moving forward. He and Heidi were such fun to talk with. He will be greatly missed. Hugs to the families.

“ Our deepest sympathy to the Waltz Family in the passing of Ferman Neil. He was a great guy and he and Heidi were a fun couple. They always kept us laughing. Will worked for years with Ferm and he really enjoyed him. To his family left to mourn his loss, we say, "remember all the love and care Ferm and Heidi gave you, keep your wonderful memories close and know both their passings are felt beyond just the family". We will keep you all in thoughts and prayers as you go forward in the weeks and months ahead.
