“ I am sorry to learn of Flossie's passing. I first met Flossie and her family members as a young girl when we all attended the same country church. Then her family moved from the area and I did not see her again until many years later when she came back to the Kalkaska area. She was always such a pleasant lady with a beautiful smile. I remember her sister Vivian and some of the rest of her family. I remember her older sister, Freda, as well who was a dear and cherished lady and friend to so many and she was a hard working lady. My sincere sympathy to the family. Rest in peace, Flossie, you will be kindly remembered.
