“ *My fondest memories growing up! Good golly! I was young teen coming up from the city with a biker gang lol! Camping out all summer at the boy scout camp (I know right) spending an afternoon watching Harleys trying to climb the power line,or dishes and bathing in the ice cold river to being on the back of a Harley. And back in those days they were all custom paint. You might say he was the reason I was a biker chic lol! I wasn't only his cousin but there was a time I was his little sister! I'm hoping right now you are having the grandest reunion you will always be apart of my best memories and I love you!*
