“ *First time I spoke to my father-in-law was in 1979 at a pay phone. Brad was talking to him and dad wanted to talk to me. He said "Hey good lookin"! I responded you can't even see me, he said "if you sound like this and you are with my son, you must be good lookin". That pretty much sums up our relationship. He was always kind to me, supportive and proud of our family. Garold Brasseur was a good man, not perfect, but a good man who did the best he could. I will miss him and only wish we had more time with him.*
