“ *I have many memories with my uncle but there has always been the one memory I can think of that makes me laugh every time I think of him it was harbor days in elk rapids and it was firework night all the family was together and my uncle George looked at me and said I bet you I can catch that duck and I didn't think he could next thing you no he leaps out of his chair and lands on the duck and catches it I couldn't believe it I laughed so hard and he held the duck for a minute then relased it I'm sure that duck will never be the same. That was my uncle always good for a laugh. Like I said there are many more memories but I like this one a lot uncle George I will miss you RIP*

“ *When I lived away from Michigan and would get to come home to visit I loved it when I got to see George's laughing face. I never saw him angry or cross and he always had something good to say about anyone and everyone. He was very dedicated to his wife and family and was fiercely protective of them. We know you will continue to watch over and protect your family. You will be missed George. RIP and enjoy being with your Mom and Dad now.*
