“ Bob Sr., Bob, Bobby, Tina, and the whole Lafferty family...

*I am so sorry to hear about your loss, and what a huge loss it is! I have not one bad memory about Georgia. When i think of her i think of her smiling, laughing and carrying on.. How she used to always scare everyone with rubber snakes, spiders and etc., and i could go on and on! You just don`t find people who welcome everyone into their families the way the Lafferty`s do. I am sure i can speak for everyone.. I have always felt like a member of the family. That's why it hurt my heart when i heard the news, and why i am having such a hard time writing this! My thoughts and heart are with you all, and if you need anything at all.. I am always here for you! I love you all!###imported-begin###Eugene Hubbard###imported-end##*
