“ *It is with extreme sadness that I learned today Jerry has passed away. Jerry has given so much to so many people throughout his life! He was one of my Father and Uncle’s most trusted and loyal employees thru the years he worked at The Sundquist Creamery Co. along with being a good friend in the years afterwards. As a child I grew up knowing and hearing nothing but positive things about Jerry. I have always been so proud that Jerry and Betty asked my parents if I could be the Ring Bearer at there wedding! It was always such a positive moment when Jerry and I would reminisce on the phone over the last few years and I was so glad life allowed me to attend Betty and his 60th wedding anniversary party. Betty, You and Jerry have always held a very special place in my and my families hearts. I know Jerry is at Peace with the Lord! I look forward to the day that my Father John, Uncle Tom and Jerry can show me how to make Cottage Cheese in Heaven!*

“ Growing up in this family is something I have always treasured. Being the youngest I have been blessed to have you as a brother. We will miss you Jerry and Uncle Jerry. Give Dad, Mom, and the rest of our family a hug from Michelle and I and some day we will see all of you. I have so many good memories. Love your sister Peggy.

“ Jerry and I Sally Mueller Kitchen were born in Henderson in 1939 just 3 months apart and became friends as soon as we were able to go back & forth between houses just a short block away from each other. went to one room school until 8th grade & then rode bus to Owosso high through 12th gr graduating in 1957. Larry joined us in 7th grade and they became best friends and we all remained best friends even after they moved “up north”. We will always treasure our friendship & will miss him dearly.
