“ Gert was such a kind and caring person. I had to spend a few nights there when my parents had to travel to Detroit for funerals. Her and her family took good care if me! She was a remarkable woman!

“ One very strong woman. I loved interacting with her in her relationship to Forest Area schools. Negotiations with the school board, parent teacher conferences, or just a proud grandmother, her love for the community was unquestionable.

“ Gert was such a great person. Gentle but strong. Our families grew up together. I remember driving past her old house on Lund road and seeing her out in the yard playing football with her boys. I will miss her.

“ *I'm so sorry for the loss of such a wonderful dedicated Christian woman. She was a great friend of my Mother, Marie Dupuie. We attended many services together at St Aloysius church in Fife Lake. I remember spending time at the farm when I was young. I also remember her speaking at my graduation. We were the first graduating class from Forest Area High School. I am thankful that she made such an impact on making this school become a possibility. May she rest in peace and be reunited with old friends and family.*
