Carol and Family

I am so sorry to learn of Herb's passing. Such a nice guy, and so much like his father and brother Larry., Herb's parents were very good friends of my parents. They had wonderful times together. My mother worked for many years with both of Herbs parents. Such good people!! Very kind and loving.

This is a void in your family hard to overcome. My thoughts and prayers will be with you all as you each go forward in the days, weeks and months ahead. Remember all the wonderful qualities Herb possessed, and all the great memories you each have. Time alone can help heal the loss,, but memories will help too. May God be with all of you!
