“ *I remember when I first met Ida. I thought she was the most beautiful, woman I had ever seen. She was so happy and enthusiastic. She remained that all the years I new her! When she was suffering and seriously had nothing to smile about we started talking about kid's church. She came alive! She was glowing through the phone going on and on about those precious kids and what Mike and she had planned! What great love and faithfulness to her church and God. Then, I love her for how much she loved my brother! She was, and still is beautiful, inspirational and totally in love with God! You are missed, my sweet Sister!*
