“ Dear, Rapoza family,
Having recently learned of the loss of your loved one I extend my deepest sympathy to you. During this difficult time I wanted to share the hope found in the Bible, the hope of the resurrection. Jesus stated at John 5:28,29 "The hour is coming in which all those in the memorial tombs will hear his [Jesus] voice and come out." And at Revelation 21:3,4 it states that there will be a time when "death will be no more." These scriptures give us hope for the future as respects to our dead loved ones. Those scriptures have brought comfort to me and my family and I hope it does the same for your family. Sorry for your loss.

“ Jackie was amazing! I had the privilege of seeing her in many lights. Snowmobiling trips to the UP, boating in Frankfort, in her office (home) of Art's Garage, even in a casino on New Years! My funniest memory with her is when I miss took Buster for Art at a party and seeing the woman he was with was not Jackie, I was ready for a fight to defend her, then she and Art walked up and I realized I nearly decked the wrong guy! In my times of need she reached out to me, with that positive light she shined on so many that knew her. She always had a big grin, heartfelt laughter and an outlook so bright and upbeat. And boy did she love her grandbabies! I have never met a person as strong, as brave, as kind and as compassionate as Jackie was. She will be dearly missed and deeply remembered by some many whose lives she touched.
