“ Thinking of the family of Uncle Jim Wells. A little trivia you might not have known about your Dad. Your Father spent a little time in California. He attended American River Jr Co. He also worked for Thrifty Drug Store Inc as a Manager in Yuba City, Ca. He was a very young man at that time. He was a lovely young man. We enjoyed him living in our home. I only saw him a few times over the years, But I kept in contact with his Parents. As the news filtered to California of your loss of your Father and Brother. We wanted to send our love and prayers. He was my Children's Uncle. May your sorrow fade soon, and your lovely beautiful youth and adult memories last a life time. Our prayers. The Wells & Montgomery families in California.
