

Jayce A. Dixon-Thompson

February 8, 2002 - October 2, 2021

Jayce Alexander Dixon-Thompson, was tragically taken from his family and friends on October 2, 2021, at the young age of 19. Jayce was born February 8th, 2002 in Port Huron, Michigan, to Mikaila Dixon and James Thompson. He later moved to Mancelona, MI. He attended schools in Port Huron, Rapid City, and Mancelona, MI where he made countless friends. Jayce was kind-hearted, strong-willed, soft-spoken, and always ready for a good time. He loved his family dearly, especially his brother Aiden, cousins Jamie, Michael, and wobbert a.k.a "his brother's" and his cousin Saige. We cannot exclude Tyler, his twin, Alex, and little Keven. Jayce had a special bond with everyone. Everybody mattered to Jayce. His love was unconditional and pure. His smile was radiant and beautiful. Everyone that knows Jayce, knew he loved fishing and all of his cowboy boots (Thanks Uncle). He had a love for Chevy because as a kid his Pa had a license plate that said "friends don't let friends drive fords" but he later (quite recently) found out that that vehicle was in fact a ford (this didn't end his Chevy Pride though). He had a passion for anything with a motor. He loved to tear them apart, put it back together and then was off to look for his next project. Jayce was a young man with an old soul. He admired his dad, loved his mom fiercely, and would do anything for his grandma whom he would share everything with. Survived by Mother - (Mikaila Dixon), Father - (James Thompson), Brother - (Aiden Dixon), Grandma - (Sheri Dixon), Grandma & Grandpa (Sue & Dan Hopp), Grandpa Charlie, Uncle - (Mike Dixon), Aunt & Uncle - (Kelli & Tom Gates), Uncle & Aunt - (Charlie & Jenny

Schell, Tyler, Alex) Uncle & Aunt - (Keven & Amanda Schell, Keven, Maddisyn, Chloe) Cousins - (Michael & Hannah Dixon, Asher, Axton, Adler) Cousins - (Jamie Bassett, Breeanna Martini, Saige, Easton) Cousin - Thomas Gates, Cousin - (Jeremy Dixon) Cousins - (Dakota & Eddy Dixon, Edward). As well as many more aunts, uncles, cousins, and friends. Preceded in Death: Pa (Michael Dixon), Great Granny D, Great Grandma & Grandpa Dixon. A Funeral will be held at Kalkaska Funeral Home on Friday, October 8th, 2021 at 3:00 PM, with final visitation from 1-3 pm. There will be numerous events held in his honor at a later date. “ Sweet Jayce will always stay in my mind as the sweet little guy who always wanted to show me something that he was doing or had done. I remember him coming back from fishing with his Pa and showing me the fish he caught. Just doesn't even seem that long ago. He was always so sweet to me and he will forever stay in my heart. I am honored to be his adopted "Aunt Holly". ❤️ Rest easy sweet boy

“ I love you my boy. You mean the world to us. I can remember the day you were born. It was definitely one of the highlights of my life and it seems like it was just yesterday. I was so excited, and overwhelmed with joy, during your delivery I'm told while I was jumping up and down I may have accidentally popped your dad in his nose. Ok, I guess there was no "may have". I did it. Lol Jayce, I loved you since the moment I knew about you. You have always been my love. Not only mine but Uncle's too. I remember how he used to stop by and see you or pick you up when I was at work. Oh, I was so jealous! We love you not only as our nephew but as our son. Out of all you boy's I can honestly say you worked me the best. :) I love you honey. I always will.

I'd give anything just to sit in the hospital all night and have you screaming so loud from an ear ache that I could of sworn I needed to be checked for ear loss myself. Well anyhow , I'd give anything to be in any situation with you again. I would continue holding and kissing your precious big head. I love you my boy. Our lives will be forever changed without you. You made me the proudest auntie in the world. I love you son. May you be at peace. You will forever in my heart and soul. Thank you for your love as well. And Jesus I thank you for letting us have Jayce. I could go on forever, yet it feels like no amount of words could ever describe my love for you and just how heart broken that we all are. I love you!
