I am sorry to learn of Jean's passing. I met Jean in my younger years and she was a sweetheart of a lady. My Mom worked with Jean when they were both employed at Kalkaska Memorial Health Center. My Mom ran the Lab and the Xray departments and Jean was a nurse, whom my Mom spoke very highly of. I hadn't seen Jean in years, but thought of her from time to time and hoped to see her again one day. My deepest sympathy to Jean's children who I lost track of over the years. Enjoy your memories as she was one wonderful lady.
