“ Ever since I met Jeanine here at Kalkaska United Methodist, I have seen her as one of my spiritual, Christian heroes. She had a faith as deep as the ocean and her love for her family and friends was unlimited. She always seem to consider both side when talking about a situation, especially when there seemed to be a conflict. She loved our Lord Jesus Christ and honored and worshiped Him by the very way she lived and how she treated others. She loved our church and served it well as long as she could.

Sunday, while all of us looked on in disbelief, she attended church after just getting out of the hospital. I had the privilege of walking her to the car that Earl had just pulled up to the front of the church for her. She seemed a little shaky but also pretty strong. When I helped her in the car, I told her I loved her and to take care of herself, never knowing that this would be the last time I would talk to her here on Earth. I will treasure that time in my heart. She was a special gift from God for me, but also for her family, friends, and church. To say she will be missed is an understatement.

I am sad to have had her leave us, but I am overjoyed to know without a doubt that she is in Heaven, free of pain and free of her failing body, rejoicing and worshiping with our Savior.

You are all in Dave's and my thoughts and prayers! I know you will all miss her more than words can express. I pray that you can all follow in her footsteps as she taught all of us to be better people and better Christians just as I have tried to and will continue to do.

May the peace and love of Christ carry you through this time of great loss.

Love in Christ,
Sharon (and Dave) Stockford
