

John Gitre Gordon

December 1, 1954 - June 10, 2018

John Gitre Gordon, 63, of South Boardman, passed away on June 10, 2018 at his home. He was born in Saint Clair Shores, MI on December 1st, 1954 to the late Raymond J. and Elizabeth A. (Hastings) Gordon. At age 13 his family moved north to a farm in Fife Lake, MI. This is where John's love and appreciation for the outdoors deepened. Nothing made him happier than sharing his love for the outdoors with his family, friends and often times mild acquaintances. In December 2017, John retired from a 45 year career in the oil and gas industry. He made many dear friends along the way and was always willing to lend his experience to others. John had a very simple strategy to life, "Work hard, and play harder." As a result, he packed as much life as you can into his 63 wonderful years. This truly unique man will be greatly missed by the many lives he impacted with his infectious passion for living. He is survived by his wife of 34 years Patti, his children Renae (Miller), Miles, and Matt Gordon; nine beloved grandchildren, eleven brothers and sisters, countless nieces, nephews and cousins. Visitation will be held for friends and family from 1-8 PM on Friday, June 15, 2018 at Kalkaska Funeral Home. Arrangements have been entrusted to Kalkaska Funeral Home and Cremation Services.

Jesus said, "I am the resurrection, and the life: he that believeth in me, though he were dead yet shall he live: And whosoever liveth and believeth in me shall never die..." John 11:25-26

Paul wrote, "Therefore we are always confident, knowing that, whilst we are at home in the body, we are absent from the Lord: (For we walk by faith not by sight, we are confident, I say, and willing rather to be absent from the body, and to be present with the Lord." 2 Cor 5:6-8

We mourn, and yet we rejoice as John has left his ailing body behind and has gone home to be with the Lord and Creator of everything he loved so well.

“ John was a great friend, I enjoyed working with him at Shell. John had a great outlook on life, he knew it was to be enjoyed. He will be dearly missed by all who knew him. My condolences to Patti and the rest of the family.

“ Sent a picture to John to see how well my new crossbow was shooting and he responded looks like a dead Brown Bear to me. I thought of John the whole time I was in Alaska and the many hunts we have been on over the years. He loved to teach and share his hunting and life skills with everyone. Well John this trip is for you I know you would have enjoyed it. We'll hunt again one day and I'll tell you all about it. To Patty and the whole family I'm truly sorry for your loss but you can be so proud of the positive impact that he's had on so many lives over the years. Looking forward to that next hunt with you, Rosey, Moosette, and my first Shorthair Gypsy who of course I got from John. Goodbye for now and happy hunting my friend.

“ *John was the first OSR I encountered in the oil field. I was working floors at the time. I learned a lot from this man. He will forever be with me in what he pasted on. I wish I could have worked with him forever. God rest his soul. I'll see you on the other side brother*

“ *The oilfield & community has lost a one of a kind legend. I am proud to call John a friend & a mentor. Many years ago John asked me if I would like to be a directional driller. I had serious doubts that I could ever do a job like his. But he was an excellent mentor. Back when it was a DD his kit box, & endless days, & nights on the doghouse bench. To all John was that was a friend from the first time you met him. His love of the outdoors was contagious. He always had time to take people canoeing, kayaking, fishing, hunting, skiing, & snowmobiling. His love was his bird dogs. We spent a lot of hours in the woods with Darla, Mousette, & Rosie.*

To Patti, & family our thoughts & prayers are with you. I will always treasure the times we shared on the rig, & the outdoors.

“ John was a very kind man. Several years back, my youngest son worked for Mark in the oilfield. It was the first Christmas our family wasn't all together because Greg was in PA working on one of John's rigs. I felt so sad thinking of him being so far away, cold, not opening presents, or having any dinner. That night, Greg phoned to tell me that John called him, Travis, and the other crew members into his trailer and made them a Christmas dinner with ham, potatoes, corn, and pie (a feast). This is something a mother never forgets. I can never thank him enough for doing that for us. I have no doubt that John will be called home to sit with Jesus and have his Christmas feast. Our thoughts and prayers are with you Patti and John's family.
