“ *To the King Family,  
Juanita made her mark in this world. Raising a large family and plenty of Grandkids to fill up the love Bob and Juanita had to share. I'm sure there was never a dull moment in the King Family. What a hunter and fisher-women, Juanita could bring home the bacon.  
Her years at the Fair was always a busy time. Juanita put a lot into supporting 4-H. A Lady with many talents.  
Loved the photos, a life well lived.  
We were unable to attend the services, but sending our condolences to the Family and many Friends.  
Sincerely,  
Vicki and Terry

“ I met Juanita through a sportsmans club my husband and I started going to. I was drawn to her right away. Later paul and I were moving to Kingsley and were looking for a church. The 2nd time we went there We saw Juanita and Bob. I knew right away we were suppose to be there. Juanita impacted my life by her energy to live. Her kindness was an example of who I wanted to be. My life is richer and I have been blessed to be her friend.
