“ I loved her spirit, she was good inside and out. Juanita love Jesus with all her heart and then her family. I enjoyed hearing her sing with her lovely voice and she truly meant it when she sang. Her love for God was great. She was my friend. My deepest heartfelt Condolences for her family.

“ Juanita took on the toughest challenges and turned them into works of wonder. While she held the title of Township clerk, i grasped the full extent of her patriotism, work ethic, and strength of character in all she did in her position. Computerizing the Township records seemed insurmountable but she accomplished all that and so much more. Juanita loves her God, husband and soulmate David, children, family, friends, country, community, fur babies, nature, not necessarily in the order presented depending on the day, right? We will miss her 'Juantia chuckle' and beautiful voice and her valient spirit lives on in her children.

“ Juanita loved God and her family. She didn't have to say it, it showed by the way she lived her life. She was especially proud of her children and whether she realized it or not, it was a direct reflection on her. She homeschooled them and obviously did an excellent job. I can see why, since she was a great teacher, of which I had the privilege of learning a lot from her. She also was quite a special confidant, never judging but giving excellent advice. She will be missed tremendously by myself and many others. So privileged to have known her! God must have needed a SPECIAL ANGEL!
Prayers and hugs to her family.
